

# Free webinar on **applying to grad school** in ecology, evolution, and related fields

Thursday, Oct 24, 2024

11 am US Eastern, 8 am US Pacific, 15:00 UTC

<http://www.ApplyingToEEB.info>

- Masters or PhD?
- How to find a good mentor?
- How to find a good program?
- How is this different from undergrad?
- You get *paid* to go to grad school? [sort of...]
- Timeline
- Mental health in grad school
- And much more!

This is part of our goal of teaching the “hidden curriculum” — information that is not typically formally taught that otherwise privileges some insiders who know it. Panelists are Brian O’Meara and Xingli Giam, both long-serving members of the U. of Tennessee, Knoxville, EEB graduate admissions committee. There will be a presentation followed by Q&A.
